

Connect with your customers in a unique and new way with a Vizlinx.com digital card

A digital card with all your information can be passed onto customers which they in turn can forward. This is a unique, cost effective way of increasing your client base, linked with the flexibility of offering and controlling any events, promotions, sales etc that you choose, directly accessing both potential and existing customers. The card can include details about your company, special offers, special events, telephone details, email addresses, website information, videos, location map and all your social media information. All customers and potential customers will be kept up-to-date with all the latest information you want them to have. Vizlinx.com also provides a unique QR code that can be printed on all your information. The vizlinx.com digital cards work on all mobile devices.
